

October 09

# Island Green Golf Club

## ProShop News

Hello All,  
What a beautiful start to the Fall season, this is my favorite time of year. The golf course is in great shape and the weather, well, is as good as you can get. It should be a pretty fall foliage. I hope all of you continue to come and enjoy the course.

The mission impossible is scheduled for October 17<sup>th</sup>. This year, unless the tournament gets full, the golf course will not be as difficult as years' past. You may also play in your typical

groups; just make tee-times at your convenience anytime prior to 2:00 PM. The results will be posted the following day. It should be fun so sign up ASAP.

Mizuno has an exciting program that enables us to inventory their top-of-the-line merchandise this fall. Some items include:  
-Mizuno gloves which are designed to have no thumb twisting. This is a fantastic glove!  
-WINDPROOF Mizuno Windlite Fleece

outerwear! This piece is very nice looking and will make your winter golf more enjoyable. All you will need is a mock turtleneck and the windlite fleece and you will stay warm!  
-The new MX-300 irons and MX-100 irons.  
-We will also have many accessories like hats, towels, and bags. The merchandise should be in the shop by 1<sup>st</sup> week of October.

Thanks,  
Jacob

## Other News

All of us owe Suzanne Stringer a big thank you for her efforts in keeping the landscaping beautiful all season long. She has tirelessly volunteered her time to plant, prune, water, and weed all flower beds. These aesthetics add so much the golf course. The pro shop has received countless complements. So, the next time you see Mrs.

Stringer, please give her your appreciation.

Effective October 1<sup>st</sup>, the Christian County sales tax will increase ¼%. The increase in dues for the regular family membership will be about \$0.40 per month.

We would like to ask all of you to only putt on the putting and reserve any chipping for the

chipping green by the 9<sup>th</sup> green.

Please refrain from hitting range balls in the pond and aim away from the #3 tee. When the side range tees are open, many range balls are lost. Also, the tee on #3 becomes very dangerous. Please only use irons when these range tees are being used.

## Holiday Parties

Island Green still has some available dates for any holiday party needs this fall. Please contact Jane for information @ 732-7622.

## Keys Anyone???

Please check around the house to see if you have any golf car keys. We are constantly losing and replacing keys. They are quite expensive and we would greatly appreciate any assistance in locating lost keys. Thank you very much!

**Please have all golf carts in 30-minutes before dark. It is very difficult to see at dark while driving the cart. This is for your protection as someone could easily run into something and get seriously injured.**
