# Island Green Golf Club

## Green Grass is Here!

The season is already into May. The weather is great and the Bermuda is beginning to green-up. May is going to be a busy month, so be sure to check the calendar both on the website and in the foyer.

The Memorial Day couples event will start at 8:30 on Monday the 25<sup>th</sup> with an individual horserace following at 2:00. Please be sure to sign-up by the Saturday before to reserve your spot. All horserace

participants need to be signed-up before betting begins.

Mark your calendar for the annual Men's Member Guest scheduled for June 13<sup>th</sup> & 14<sup>th</sup>. Both days will start at 8:00. Saturday will include a horserace at 2:00 along with a Calcutta auction prior to the start of the horserace. Once again, when betting begins, no horserace entries will be accepted.

The club championship is scheduled for July

25<sup>th</sup> & 26<sup>th</sup>. There will be open tee-times on Saturday until 2:00 and will be tee-times, paired according to score, starting at 8:00 Sunday. This year we are combining the Men's and Women's club championships with respective flights. There will be an open division, a senior division, and a ladies division. I hope the convenience of Saturday will get more of you involved.

Thanks,  
Jacob

## Golf Course News

Hello All. The course is getting more playable everyday. The grass is green and the course is looking great. We hope to see all of you in the near future. I think you will find a great course waiting for you to enjoy.

As more and more of you come out, please remember to take advantage of our practice facility. We have a wonderful putting

green, a great chipping area, and a fantastic practice range. Please be sure to only putt on the putting green and practice all chipping on the chipping green. We would also like to ask all of you to keep your aim to the practice targets on the range.

This will not only preserve range balls but, more importantly, protect those people playing the golf course

from getting hit (#3 tee box and #9). If someone is in the range, please refrain from hitting until they are out of range.

The new tee on #12 will hopefully be in play by June. This will be a nice addition to the hole.

Please check with proshop before play to check for daily cart restrictions.

Thanks,  
Scott

### Wanted: Women Golfers

This is an open invitation to all you women golfers: Please join the Island Green Ladies League for weekly play. Skill and ability are not necessary—just enthusiasm! The morning group tees off at 10:00am on Tuesdays, so come around 9:30am. We look forward to seeing you. There is also a group of ladies that play Tuesday evenings at 5:30.

Sue Cummins  
Chairman

### Junior Clinic

Island Green will have a junior clinic again this year. It will begin on Wednesday June 24<sup>th</sup> and will continue each until Wednesday July 22<sup>nd</sup>. The clinic will be available to all golfers under the age of 18. Depending on the number of people, we will most likely split into sessions. The clinic will cover all areas of the game and conclude with a "day on the course" where the children will have an opportunity to gain some course experience. We want them to enjoy themselves but also make them aware of the proper course etiquette of the game we have all come to enjoy. Please sign-up by calling or stopping by the proshop. Please leave contact information so we can notify you of the session times. The first session, which will last about an hour, will start at 8:30 and the second session will begin about 9:30. The cost is \$40.00 per child. We had a lot of fun last year and hope to see all of you again this season.
